

## **July 2026 Annual Plant Shutdown/ Restart New York Headquarters Schedule**

**May 2026**

**Dear NAPCO Security Technologies Customer,**

In observance of the Independence Day Holiday, NAPCO Sales will be closed Friday, July 3<sup>rd</sup>, 2026. The NAPCO NY warehouse will be closed for annual inventory starting Wednesday, July 1<sup>st</sup>, 2026, for two weeks, with no product shipments until the week of July 13<sup>th</sup>.

The NAPCO manufacturing plant will also be closed for annual inventory and maintenance starting Wednesday July 1<sup>st</sup>, 2026, for two weeks. A full manufacturing schedule will commence the week of July 13<sup>th</sup>, with the first shipments of newly manufactured product available for shipment out of New York the week of July 27<sup>th</sup>.

The first shipments received from manufacturing, after our plant shutdown, typically fill backorders from the end of our year. Product inventory to fill new July orders will not be available until mid-August.

Please plan to accommodate your June through August inventory needs when placing your June purchase orders. We recommend placing your June NAPCO, end-of-year orders as early as possible, to make sure your needs are filled.

**Please contact your local Regional Sales Manager or Customer Service before the end of June to discuss your product needs.**

For NAPCO Customer Service, please call: **1-800-645-9445**

Best regards,  
NAPCO Sales
